

TOP INTERIOR DESIGNERS FROM ITALY – PART I

Top Interior Designers From Italy

Discover the best of Italian Interior Design!

Hosting some of the best city worlds, like Rome or Milan, Italy is absolutely one of the best countries when we talk about interior design! This country is the home of the greatest event Salone Del Mobile Milano, luxury furniture brands, and top interior designers, like some you will get to know in this article. Have a look!

Achille Salvagni

From Rome, Italy, to the rest of the globe. **Achille Salvagni's** award-winning luxury houses and superyachts have earned him international acclaim. The Italian designer is a big admirer of beauty in all of its forms, a history buff, and a design enthusiast.

It only takes a few moments to understand why his interiors are so popular in the design industry. In 1970, Achille Salvagni was born in Rome. He is the founder of Achille Salvagni Architetti, a Rome-based architecture and design firm that specializes in luxury residential projects and superyacht interior design.
