**The Tusk Lion Trail at
Nova's Ark in Water Mill**

A preview reception and press launch was held this past Friday on the beautiful grounds of Nova's Ark. Donna Karan spoke with those in attendance about the importance of raising funds for the worthy cause. The lion sculptures, designed and made by some of the planet's foremost artists, musicians and sportspeople, will roam the streets to highlight the threats currently faced by 'the King of Beasts', and to raise vital funds to support community conservation and livelihoods impacted by Covid-19 across Africa.
