Legendary antique jewelry dealer A La Vieille Russie presents the new show, Ear Candy: 250 Years of Style. Inspired by the timeless beauty and wearability of earrings, they have pulled together over 40 pairs of fabulous earrings to showcase. Ranging from antique to contemporary, in a brilliant array of sparkling diamonds, vibrant gemstones and bold gold, this exhibition is unlike anything they have done before. These earrings will be available for viewing beginning November 7 - December 24, 2020 at both their New York gallery and on their website.
