OCTOBER 2018

HIGH POINT SPECTRUM: A Ditty About Pretty

White is possibility.
Brown has soul, it is rooted and versatile.
These pinks don't blush, they know who they are.
Yellow, still so unexpected.
Blue, keeper of tradition, failsafe and fresh.
Turns into slick teal.
Gray, somber, and so easy to be with
Silver and gold, yes please.
Black says, "I have arrived!"
