NOW IN THE HAMPTONS

"Stellar Union never disappoints! This summer, they are showing one of my favorite painters—my sister, **Sally Bruno**, 25 N. Sea Road, Southampton, stellarunion.com; sallybruno.com

"I keep a stash of **Cire Trudon** candles in each of my houses. The moss-green glass containers blend in perfectly wherever they are placed and, most importantly, are completely natural and long-burning." Manon classic candle, \$95, by **Cire Trudon** at **Saks Fifth Avenue**

MY HAMLET

Istdibs founder **Michael Bruno** returns to the design industry with the launch of **Art-Design-Carda** (artdesigncarda.com), a private marketplace for art and design professionals. The site serves dealers wanting to share their latest discovery, as well as independent artists who wish to offer trade pricing. The invitation-only site is open to architects and designers, and lists the gallery and to-the-trade prices. We checked in with the Hudson Valley- and Hamptons-based wonder on how he leads his design-filled life. —*Phebe Wahl*

"The food at **Sant Ambroeus** in Southampton is consistently impressive. It's proper Italian food that's beyond delicious. I'd eat there all summer long." 30 N. Main St., Southampton, 631.283.1233, santambroeus.com

"I am drawn to the sensuous materials and forward-thinking design of 1970s furniture. The **leather seating** from this period is seriously sexy!" *Fabricius and Kastholm Scimitar chair, \$9,500, Istdibs.com*

SLEEPING BEAUTY

British bespoke luxury bed maker **Savoir Beds** has partnered with interior and textile designer (and longtime Hamptonite) **Madeline Weinrib** to create a bed straight out of a fashionista's dream. "In my work, I've always favored hand over a machine," says Weinrib. "What stood out the most to me about Savoir Beds is not only do they produce beautiful beds, but they're made by hand. A perfect fit for my work." Weinrib's love of color and signature use of bold patterns shines in these top-of-the-line designs, which start at \$18,475 and include a Savoir No. 4 bed set and CW mattress topper, allowing you to catch 40 winks in spectacular fashion. savoirdesign.com —*Jessica Fischberg*
